REVIEW OF CALIFORNIA REAL ESTATE SALES EXAM

- I loved this book! It was the first book I read by Stephaine Laurens. Her plot is full of twists and turns. It keeps you on the edge the entire book and trying to figure out what will happen next. Unlike other romance novels that are easily figured out. I look forward to reading more novels by Stephaine Laurens.
- Hannah is a wonderful writer. There is no denying it. I read the book briskly. And if you enjoy her style then I would say go for it. But it isn't on my list of books to run out and tell my friends they HAVE TO read this next. But if you're looking to get away into another world, definitely go right ahead and read this book. I just didn't finish it and think, WOW. But it is given 4 stars because it really is a good read, just not a GREAT read.
