### **REVIEW OF MILNE A A NALLE PUH**

- I read this book in the 5th grade, nearly 10 years ago, and I still

remember everything from the book. This book is absolutley the best book ever written, it tops the Potter books, lord of the flies and any book that can be thought of as a litterary classic. You will absolutley enjoy this book!!!

- Lois Lowry's book is both disturbing and wonderful. It makes us seriously consider our choice to make everyone the same. This book is not just for young adults. I first read it when I was 18, but it now rests as part of my perminant collection of books. It is a great book for both young and old. It can also be read in a single sitting, which is a plus, because it is hard to put down.
