styles to choose from, the opportunities are countless. Happy analysis!

REVIEW OF HOLMES HM1895 GUIDE

- When Saturday Night Live hit the airwaves back in 1975, it changed everything. The young Not Ready for Primetime players poked, ridicule, teased, lampooned, and vocally criticized the natural order. Overnight, no celebrity, politician, or world leader was safe from the jabs of SNL. Over the years, it has developed, matured, and improved. SNL has always been on the edge of comedy, letting inexperienced yet emerging comics step onto the national stage with fresh and

innovative styles and characters. Creator Lorne Michaels will go down in history as the pioneer of modern American comedy. At 600+ pages, this book is a beast. This book is almost entirely filled with interviews from former cast members, writers, producers, and hosts. You cannot get a more honest look at SNL, its production, its sketches, or its cultural impact. Though I enjoy the firsthand accounts, after a few hundred pages I began to really appreciate the work of

a good editor who could have whittled down the interviews into a concise yet very interesting account on the power of Saturday Night Live.

- Very good read! Too bad we couldn't hear, in his words, what John Belushi would have had to say. Also reaffirms the way I feel about some of my teen years t.v. and movie stars! Still like Bill Murray today! As far as Chevy goes, well let's just say he's outta stop trying so hard and just act naturally...
