REVIEW OF THE ABSOLUTIST JOHN BOYNE

- I was pleased with the quality of the binding. The map of Florin lines the inside of both the front and back covers. One thing which disappointed me was that the cool gold 'embossed' cover you see in the picture online is only printed on the dust jacket. The cover to the actual book does not look 'old-timey,' and in fact is rather plain.If you're searching for a review of the actual content of the book, see previous reviews.

- What a story!!! Adventure..romance...it has everything! I was enthralled with it..from Fezzik's rhymes to the droll humor in the book, I fell in love immediately. Although...I wish Goldman hadn't abridged it. ;) Only Morgenstern can talk about packing for 56 and a half pages. :
