REVIEW OF FORD FOCUS

PETROL AND DIESEL SERVICE REPAIR TORRENTS

- This is supposed to be one of the top 100 books of all time. It lives up to the billing. You can't put it down once you pick it up.
- It's very hard to find an unabridged version of this work and I had to wait a few years until this particular version came out...although even here there is some abridgement to eliminate repetition from the manner the story was originally written. I was very happy when it did. As a commentator notedThe Count of Monte Cristo (Penguin Classics)is the authoritative fully unabridged edition although it's in

paperback. It's a classic story of the era - if you've never read this or heard of this story, it's classic. In my mind it's very similar to Les Misérables and Great Expectations. There's the hero who gets beaten down, then he rises up, gets helped by a benefactor, and then proceeds to get some revenge: it's a dish best served cold :-). This edition is wonderfully bound just like all the Everyman Library Editions. It comes with a dustjacket which is nice and it's a thick book. I highly recommend reading this by a fireplace in winter with some wine and cheese. Enjoy
