REVIEW OF FINANCIAL PERFORMANCE OF PALESTINIAN COMMERCIAL BANKS

- In Shades of Gray Ms. Thomas' portrayal of the challenges of the Barnes family brings the reader face to face with the magnitude of the power of unresolved issues. Throughout the pages you will come to know the love and trust Rodney Barnes has for and in God. The same reverence is seen in his children who range from five to twenty years in age. It is his wife Sela who worships from afar. After twenty years of marriage and six beautiful children the gap between Sela and her in-laws has only widened. When tragedy strikes it is the truth of Psalm 127:1 (Except the Lord build the house), that is put to the test. Beset by pressures seemingly unbearable Sela initially reacts out of her pain. Words of love and truth spoken by her children and those from the journal of her husband are tools used to chip away at the cell walls holding her hostage to the pains of her past and present. The story is not one unfamiliar to us whether it is a personal encounter or one experienced by those we know. It is the manner in which Shades of Gray is written that causes one to examine where they are at in personal relationships, (with God and others). I commend Ms. Thomas for gifting the reading world with a novel that speaks to the truth of what a godly family should be and our responsibility to stand firm and to fight to retain the legacy for future generations. - If you're looking for literature, forget it. This is barely at summer beachtime reading level. On the other hand, if you like romance novels set in "mysterious exotic locations" this may be just for you. Hell, take a look at the cover, it's just a "Latinized" version of that guy with the long hair who sells butter standing on a windy cliff with a bodice-busting babe and a mansion in the background. How sad that fiction from this area of the world is now coming to this. And Borges wept. (Yeah, I know, re-reading what I wrote it sounds snobbish, but I'm still angry that I spent the money for this tripe).
