REVIEW OF BOOKS BY STEPHEN KING ARJFC

- I was first introduced to Mechthild in a course of Women Mystics and resonated with her immediately. Her writing style is such that either you like her or you can't relate. She says at the beginning of the book that you need to read it nine times to understand it. I plan to do just that because I like reading her words just that much. Read the pages online before you put out the cash for this book but if you find that you can relate you won't be sorry for adding her to your library.

- What a wonderful little bible for kids. We use it in homeschool and it is a very useful tool. It tells the story in a simplified way so younger kids can understand it better. We are very grateful that we found it.
