#### **REVIEW OF THE CERTIFIED PHARMACEUTICAL GMP PROFESSIONAL HANDBOOK**

- It's the little things in life. And sometimes the biggest things come in small packages. Smiles Guaranteed!!! : )
- This book is not at all to be taken lightly, nor is it for everyone as much as I would love for it to be. Whether you accept Mr. Matthews's experience as true or no - there is a fair amount of depth in the work given and done in this book. There are guided meditations and though it is a slim edition and a relatively quick read, much of the work in this book needs to be taken in doses - read in bursts. Take it in, focus/mediate/whatever you feel you can do to take the information in and put it into action. My only complaint - and the reason for the 4 stars....I'd LOVE for it to have been LONGER.....Also, a note: This doesn't strike me as having been the work of John Matthews as Medium - rather as a sort of transcription of a discussion of sorts - whether astral or physical or.....I would simply love to know more.
