And if you ever before need assistance discovering the perfect publication, our educated staff is below to give customized recommendations.

REVIEW OF S MALAYALAM NOVELS TO INI NJAN OORANJATTAE

- This book was a great historical fiction!!! This book was about Colonel Knox and his journey to FT. Ticonderoga to get guns for general Washington. The story had lots of action and I would definitely recommend it to history lovers!!!!

- As I was perusing the book store here at Amazon, I came across "Inside Oscar 2". I immediately put it in my shopping cart, as I remembered how glued to the over 1100 pages of "Inside Oscar" by Mason Wiley and Damien Bona, I became. I originally

bought this "reference" book because I have a huge movie collection and I wanted to put my library in some kind of order. This book had all the Oscar winners by year, so I thought I would just be using it to look up dates, actors etc. Fahget about it! Once I opened it, it was all over, I couldn't put it down. This book has a year by year, blow by blow account of the Academy Awards history. We get the stories behind the stories. The rivalries, the studio hub bub, the lobbying, poignant moments and LOTS of good laughs. Each chapter describes a year in the life of Oscar. It starts out with the events leading up to the nominations, goes into "The Big Night" telling us who won, where it was held, who said what, and even who presented, and ends with "The Aftermath" going on. The second section of the book has detailed lists of every award won and all the nominations in every year. It goes from 1927-1994 ("Wings" to Forrest Gump"). If you are a movie buff, if you want to impress your friends with Hollywood history trivia, or you just like reading about the stars, this is the book for you. I can't wait until my "sequel" (1995-2000) arrives. Ciao dahlings.....Laurie
