Exiles in the City: Hannah Arendt and Edward W. Said in Counterpoint, by William V. Spanos, explores the affiliative relationship between Arendt's and Said's thought, not simply their mutual emphasis on the importance of the exilic consciousness in an age characterized by the decline of the nation-state and the rise of globalization, but also on the oppositional politics that a displaced consciousness enables. The pairing of these two extraordinary intellectuals is unusual and controversial because of their ethnic identities. In radically secularizing their comportment towards being, their exilic condition enabled them to undertake inaugural critiques of the culture of the nation-state system of Western modernity. As variations on the theme of exile, the five chapters of this book constitute reflections on what is foundational and abiding in both Arendt's and Said's work. They not only document the heretofore unnoticed affiliation between the two thinkers. They also shed light on Arendt's and Said's proleptic activist

explorations of the urgent "question of Palestine," especially on the fraught present situation, which bears increasing witness to the irony that the Israeli nation-state's "solution" has, from the beginning, systematically repeated the degradations the Jewish people suffered at the hands of German nationalism.

This represents the first time that Pirandello's *Berecche and the War* has been translated into the English Language. Pirandello's historical novella, set in the months preceding Italy's entry into the First World War, is amongst much else a highly individual contribution to war literature and historical fiction. As he charts the crisis of those times as it affects the carefully constructed identity of his protagonist, he embarks on a radical questioning of nineteenth-century notions of order, method and discipline. Further, his dialogue with historical narrative leads him to explore and expose the fiction inherent in representing historical reality, and the fictions by which we all live.

über unterschiedlichste Modi der Transposition, Permutation, Vereinnahmung und Entgegnung. In einem breiten Spektrum von Fallbeispielen und Querschnitten, Einzelanalysen und Resümees schlagen die Autorinnen und Autoren eine Vielzahl komplementärer methodischer und epistemologischer Interpretationen der Metapher des Kaleidoskops Literatur vor. Die Beiträge spiegeln und brechen nicht nur den Facettenreichtum aktueller literaturwissenschaftlicher Debatten und individueller Zugänge. Im Spiel der Perspektiven auf die Jahrhunderte der romanischsprachigen Literaturen konstituiert sich an diesem Band ein distinkter kollektiver Blick auf ein Spezifikum literarischer Welthaltigkeit.

This is a timely and extensive biography of a writer who, in the early twentieth century, achieved such status in the literary world that publishers in Italy vied for her novels, and editors felt honoured to publish her short stories and 'sketches'. Now, almost seventy years after her death, her novels continue to be reprinted and translated, and critical appreciation of her work continues to grow. Her works still live and have the power to move her readers.

Described as the most conspicuous voice in Italian poetry after Eugenio Montale, Mario Luzi created for himself an unmistakably individual rhythm, idiom, and ethos ...Particular to Luzi's poetry is the quality of lyricism, and tone of conversational intimacy, of which *For the Baptism of Our Fragments* represents the crowning achievement of a long poetic career which began with his first book of poems in 1935.

Aracoeli (1982) was the last novel written by Elsa Morante (1912-85), one of the most significant Italian writers of the twentieth century. The journey, both geographical and memorial, of a homosexual son in search of his dead mother is a first-person narrative that has puzzled many critics for its darkness and despair. By combining scholars from different disciplines and cultural traditions, this volume re-evaluates the esthetical and theoretical complexity of Morante's novel and argues that it engages with crucial philosophical and epistemological questions in an original and profound way. Contributors explore the manifold tensions staged by the novel in connection with contemporary philosophical discourse (from feminist/queer to political theory to psycho-analysis) and authors (such as Emilio Gadda, Pier Paolo Pasolini and Pedro Almodovar). The Power of Disturbance shows that by creating a 'hallucinatory' representation of the relationship between mother and child, Aracoeli questions the classical distinction between subject and object, and proposes an altogether new and subversive kind of writing. Published in France in 1980, *Marine Lover* is the first in a trilogy in which Luce Irigaray links the interrogation of the feminine in post-Hegelian philosophy with a pre-Socratic investigation of the elements. Irigaray undertakes to interrogate Nietzsche, the grandfather of poststructuralist philosophy, from the

point of view of water. According to Irigaray, water is the element Nietzsche fears most. She uses this element in her narrative because for her there is a complex relationship between the feminine and the fluid. Irigaray's method is to engage in an amorous dialogue with the male philosopher. In this dialogue, she ruptures conventional discourse and writes in a lyrical style that defies distinction between theory, fiction, and philosophy.

Anna Malvas is taken in by her uncle Paolo Veleno and his family soon after she becomes an orphan. Anna enters their home as a child and grows into adulthood, falling in and out of love and eventually blossoming into a poised young woman. Along the way, Deledda's vivid descriptive narrative accompanies us as we discover the Sardinia of the late 19th-century. Anna's story is set around cameo-like vignettes interspersed with simple details - descriptions of a wedding dress and the scented white paper in which it is wrapped, the intricacies of Richelieu embroidery, the procedure for sun drying tomatoes - which enhance the fabric of the story. Throughout *Honest Souls*, Anna's story is imbued with folkloric zest, making the novel a valuable snapshot of the smalltown Sardinia of her day. Written in 1895, by Grazia Deledda, *Honest Souls* is an excellent example of the regional Italian fiction of its day. Deledda has a descriptivist's eye and she brings the unique flavours of Sardinia to the attention of the world. Grazia Deledda enjoyed international acclamation, winning the Nobel Prize for Literature in 1926."

Gli studi raccolti in questo volume abbracciano un ampio ventaglio di temi, che comprende la trasposizione di elementi biografici sul piano della finzione nelle opere pirandelliane, le modalità specifiche con cui l'autore fece proprie sia la cultura ed il paesaggio - incluso quello urbano - che la letteratura e la filosofia della Germania (dal classicismo di Goethe, attraverso l'idealismo ed il romanticismo fino a Schopenhauer e Nietzsche, Theodor Storm ed Arthur Schnitzler), il suo riflettere tendenze del suo tempo (tra le altre, naturalismo ed espressionismo); ed ancora la profonda conoscenza che Pirandello ebbe della drammaturgia tedesca, l'influenza che esercitò sul teatro e le sue relazioni con il cinema in Germania. Il volume segue percorsi di ricerca solo recentemente aperti dagli studi pirandelliani, sviluppandosi intorno ai grandi temi legati al rapporto di questo autore con la Germania, la cui conoscenza si presentava fino a questo momento ancora lacunosa. Una particolare attenzione è dedicata alla ricostruzione topografica ed alla documentazione relativa ai soggiorni di Pirandello a Berlino.

Carol Lazzaro-Weiss studies the fiction of twenty-five contemporary Italian women writers. Arguing for a notion of gender and genre, she runs counter to many Anglo-American and French feminist theorists who contend that traditional genres cannot readily serve as vehicles for feminist expression.

This book explores how women's relationship with food has been represented in Italian literature, cinema, scientific writings and other forms of cultural expression from the 19th century to the present. Italian women have often been portrayed cooking and serving meals to others, while denying themselves the pleasure of the table. The collection presents a comprehensive understanding of the symbolic meanings associated with food and of the way these intersect with Italian women's socio-cultural history and the feminist movement. From case studies on Sophia Loren and Elena Ferrante, to analyses of cookbooks by Italian chefs, each chapter examines the unique contribution Italian culture has made to perceiving and portraying women in a specific relation to food, addressing issues of gender, identity and politics of the body.

Evoking in vivid detail the literary world in Rome at the turn of the century. Her Husband tells the story of Silvia Roncella, a talented young female writer, and her husband Giustino Boggiolo. The novel opens with their arrival in Rome after having left their provincial southern Italian hometown following the success of Silvia's first novel, the rather humorously titled *House of Dwarves*. As his wife's self-appointed (and self-important) promoter, protector, counselor, and manager, Giustino becomes the primary target of Pirandello's satire. But the couple's relationship - and their dual career - is also complicated by a lively supporting cast of characters, including literary bohemians with avant-garde pretensions and would-be aristocratic aesthetes who are all too aware of the newly acquired power of journalists and the publishing

establishment to make or break their careers. Having based many of the characters - including Silvia and Giustino - on actual literary acquaintances of his, Pirandello reacted to the novel's controversial reception by not allowing it to be reprinted after the first printing sold out. Not until after his death were copies again made available in Italy.

REVIEW OF FABRIZIA RAMONDINO RIMEMORAZIONE E VIAGGIO

- I absolutely love Rob Inglis's narration of "The Hobbit", as well as his narration of all three books in "The Lord of the Rings". I highly recommend this particular narrator for this book. It's the best I've found and I tend to be pretty picky with my favorite authors, of which Tolkein is one. Rob Inglis has a wonderful reading voice, varies his tone and delivery for the different characters & creatures (especially Gollum!) very well,

and he does a wonderful job of singing the songs that Tolkein wrote for the dwarves, elves, etc. I will never listen to another version of this again. I am slowly acquiring each of the books on CD, as they are not available to download yet

(which may be the one turnoff for some), but it is worth it!

- I wanted to reread this book while camping, but did not want to bring my 1960's version. This fit the bill for what I needed in both condition and price.
