**REVIEW OF FUNDAMENTAL ACCOUNTING PRINCIPLES VOLUME 1
THIRTEENTH CDN EDITION SOLUTIONS**

- The book is short, engaging, and easy to read. It makes a strong case for keeping sexual sins out of your life and offers practical advice - as well as Biblical encouragement - for developing a lifestyle

free of sexual misconduct. This book was well-received by my non-Christian friends, too, so don't hesitate to buy extra copies for them! Well worth the read.

- A really interesting read for the layman. It came brand new and on time so that was good. Hell yea.
