And when no one is powerful enough to transform him back except Ivy, it sparks the rumor: Like father, like daughter. Making the rumors worse, someone uses an evil spell book to bring back two of history's most nefarious killers. Ivy's got a simple plan to set things right: find the real dark spell caster, steal the book, and reverse the spell. No problem! But she'll have to deal with something more dangerous than murderous spirits that want her and her friends dead: the school's resident bad boy and hotter-than-brimstone demon, Nick Marcelli. Nick's offering Ivy more than his help with recovering the missing book - he's offering her a way to ditch her scaly reputation as a lizard-lover. Demons are about as hard to handle as black magic, and as Ivy soon discovers, it's going to take more than a lot of luck and a little charm if she wants to survive long enough to clear her status as a dark witch, get a warm-blooded boyfriend, and have her former date back to eating meal worms before the week's end.

In this personal account, one man details how his past life sins had a direct effect on his love life. Frank Mares, a successful middle-aged businessman, was always mystified why his love life was snake bitten. Others thought of him as a considerate, funny guy with good looks, but every one of his long-term relationships with attractive women ended in a fiery wreck. After the death of his father, he started a meditation practice that inexplicably rewarded him with psychic abilities. With his new gift, he discovers that reincarnation is real and he recovers facts about nine of his past lives. Most of those lives involved violent, bloody deaths. Mares goes on a spiritual journey to find out why he kept dying violently and why he couldn't find the love he was looking for in his current life. The answers do not come easily, but by using a team of three world class psychics, he tracks down the shocking reason why the Universe is angry with his soul. The psychic team finds that within the soul of this normal, small businessman resides a brutal, stone killer from the 1600's, who surprisingly was the revered founder of a gentile noble family. The killer's portrait still hangs in his tourist destination castle outside of Prague, while Mares pays his Karmic bill. Mares hopes to salvage the dark time in his soul's past into something that could help others today. Specifically, he found that everyone's

long term romantic relationships were preplanned before their births. This planning was done not so that you can find love and happiness, but rather so that your soul can learn spiritual lessons through heartache. By examining his past relationships with a new perspective, he saw how the Universe set him up for romantic doom through amazing coincidental encounters and by ruthlessly preventing more suitable girls from ever meeting him. If you read this book, you will never look at Love and Death in the same way again. In addition, some of your past romantic disappointments might now start to make sense.

REVIEW OF BOUND BY BLOOD SOUL MATES 1 JOURDAN LANE

- I thought this book could've had better pictures. On one whole side of the page was big writing which distracted my 3 year old from the pictures and from concentrating on the story. For the most part it served it's purpose
- I purchased this book for my granddaughter for Christmas. I was shopping for a book with old-fashioned warmth. The website

does not do this book justice! It's an absolutely beautiful book.
