REVIEW OF PROFESSIONAL MEETING MANAGEMENT A GUIDE TO MEETINGS CONVENTIONS AND EVENTS

• I have been through books 1-6. I can not wait until book 7 comes out. Books on CD are great for a the average commuter. These books are very well read and Robert Jordan is the best. These make my daily drive a good event rather than a stressfull event.

• Although this was an easier read than Oracle's DBA Certification Exam Guide, I expected that it would be more up to date. Oracle has had RMAN since version 8 and there is not even a reference to its existence in this book! Exam 3 is heavily weighted on RMAN and understanding it is critical to your success on the test along with your success as a DBA. This book needs to be updated!
