• This book gives you, literally, everything that you need to know about transitioning from undergrad to law school. They give you information that the other law-prep books DO NOT!! I highly

recommend taking notes as you read as there will be tons of key factors that you will want to refer back to through out your entire law school career!! This book is the truth!! Don't take my word for it, get a copy for yourself!!!

- This is still the best PL/SQL book on the market. Very well written with great examples.
