REVIEW OF CONTEMPORARY ENGINEERING ECONOMICS 3RD CANADIAN EDITION

- I enjoyed reading The giver because it talks about how horrible life would be without the things God has given us. It talks about

being trapped in a community with ALOT of rules, you cant see color, nor feel love or anything you can do in real life. I LOVED this book..yet the ending was quite odd than other books.OVERALL, Great Book!

- Jonas in his perfect world (no poverty, no sickness, no crime, no color, no music, basically communism controls)...goes through some changes. Big changes, not ur ordinary puberty changes. He starts to see things and feel things others dont. I really dont want to spoil the book. REad it! I have read it about 4 times. Great great book!
