REVIEW OF CELTIC MAGIC DJ CONWAY

- I would tell people about this story b/c its a good boo it shows what the world could be if we had sameness.But I think most people I told them about it they wouldnt really like it b/c of the release part b/c everyone would just want to die of old age.But some I think some really wouldnt understand b/c they don't have kids.But if they did I think they would dislike the book.So I would tell them about the book.But to certain people NOT all people i know b/c they wouldnt enjoy it but yet agan some people would enjoy it but at the same time dislike it at times!.
- At 12 years old, kids in the community, a "perfect" society free from pain, suffering, emotion, color, etc., are given their assignments to train for the jobs they will have for the rest of their lives. Jonas gets a special "honor" rather than an assignment. He is to be trained to hold all the memories from all time for the community and he soon learns just what the community members have had to sacrifice to live this "perfect" life.I can see this book staying with me for a long time. It was not only an excellent story, but it gives you a lot of things to think about. I think Lois Lowry did a great job writing this book in a way that the target age group can understand the issues brought about. I would have liked to know a little more at the end, but it was a great read nonetheless.
