Almost fifty more animal allies are listed and described. You will also learn the mysteries of the vision quest and how it applies and can be used by Celtic shamans. Before starting your journey you will take a test to determine your strengths and weaknesses as a potential shaman. REVIEW OF CELTIC MAGIC DJ CONWAY

- Simply (and often) said, I could not put this book down. This is the first book that I have read by Philippa Gregory and I am very impressed. She has done an excellent job of intricately weaving the characters into a web that becomes too tangled for them to escape. A beautifully orchestrated trainwreck...15 years in the making. That process and the end result, are literary genius. I found myself reading so intently on the subway to work, that I missed my stop...several times. It's that good!
- I really liked the book, it was easy to read, and had some interesting details of life in the English Court.
