'Riveting . . . Essential reading' GUARDIAN 'Packed with hair-raising revelations' OBSERVER The definitive behind-the-scenes story of Trump's final year in office, by Philip Rucker and Carol Leonnig, the Pulitzer Prize winning reporters and authors of the #1 New York Times bestseller, A Very Stable Genius The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Philip Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him-the doctors, generals, senior advisers, and Trump family members- Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously-even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged-economically, medically, and politically-by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled-and who foiled-Trump as he sought desperately to cling to power.

Donald J. Trump burst upon the American political landscape in 2015 with his brash, America-first rhetoric. His up-beat, informal style earned him the sobriquet “The Inspirational President.” You will discover in this unabridged and annotated collection of President Trump’s most important and pivotal speeches and remarks both the inner-workings and the inner-beliefs of the man who stunned the world to become the forty-fifth president of the United States of America, such as . . . - Mr. Trump’s presidential bid announcement - The persuasive “What Have You Got to Lose?” speech to black voters - President Trump’s four State of the Union addresses - The inspirational Mount Rushmore speech - President Trump’s remarks to the UN General Assembly - And many others. The ABOUT US book series brings to life the exciting and vibrant history of the United States with classic and inspiring books that celebrate the bravery, audacity, and daring of the men and women who founded and created the nation that is the beacon of freedom to the world. The My Fellow Americans series presents in unabridged and annotated form the policy-defining and personality-revealing orations and speeches of the American presidents for everyone to experience and learn. FOREWORD The president of the United States is the most powerful person in the world. This has been true for a very long time — perhaps from the very beginning. So it is important to know and understand these men who sought and attained this highest office in the land. And what better way to understand the presidents than through their own words? About US Books and Kallisti Publishing Inc. is pleased to present to you the first volume of the My Fellow Americans series, a line of books that will present to the ages the important and significant speeches and orations of the presidents of the United States of American. This inaugural volume showcases America’s “inspirational” president, Donald J. Trump, the billionaire businessman who, rather than taking the traditional route of governor — senator — president, instead leaped straight to the top in a hard-fought race against then-Secretary of State Hillary Rodham Clinton. Some people think President Trump to be brash. Others think him to be rude, insensitive, and even worse. Yet others still describe him as inspirational and uplifting. What you will discover as you read candidate and President Trump’s speeches is a person who ardently believes in the American Dream, who looks up to heroes, and who sees beyond the horizon to “the best” that is to come. Ultimately, his own words are here so you can make your own decision. Choosing which speeches to include in this volume presented some difficulty because President Trump often spoke “off-script” and talked extemporaneously. Of course, no volume of a president’s speeches would be complete without his State of the Union addresses; thus, all four are presented here. Remarks to the UN General Assembly are important declarations of foreign policy, so they, too, are all included. That left a lot of speeches through which to sift, and what were chosen were Mr. Trump’s famous presidential bid speech, Candidate Trump’s plea to black voters, President Trump’s Inaugural Address, the inspirational Mount Rushmore speech, and others that highlight President Trump’s policy positions, vision, and goals. Please enjoy this deep-dive into the mind of Donald J. Trump through his speeches and remarks. And please look forward to the upcoming volumes in the My Fellow Americans series. So, as the presidents end their speeches, I leave you with a hearty thank you and a strong God

## REVIEW OF DONALD TRUMP THINK BIG

- Sedaris is great, as usual. I think he's also a one to two-trick pony and is ever so much more enjoyable on audio than on the printed page.
- I see that there are some mixed reviews of this new book - 'Corduroy and Denim' and I come down on the critical side. I must qualify this by saying that David Sedaris' other books are the funniest that I have ever read. 'Me Talk Pretty' had me in stitches, belly-laughing the whole time. The new book is more depressing than funny. Also, it seems to me that David has gone from integrating his homosexuality (and sexuality in general) into the stories as a contextual element to using it as graphic focus that is

not particularly funny. With that said, I wonder if gay readers find more humor in the more explicit style - maybe I am just not the target audience for this book...Anyhow, I love Sedaris and hope that his next book goes back to the laugh-out-loud style.
