REVIEW OF LIVRE DE MATHS ODYSSEE SECONDE

- I loved Holiday on Ice so much that I had to read another short fiction collection by David Sedaris. Dress Your Family in Corduroy and Denim, though not as dark or as hilarious as Holiday on Ice, is one clever collection that is somewhat autobiographical (based on his own family) that makes you laugh with what seems to be the author's signature quirks. Several of the stories have some amusing tales centered on family members, while others touch on some serious subject matter, and the ones that I enjoyed the most were "The Change in Me," "The End of the Affair," "Six to Eight Black Men," "A Can of Worms," "Rooster at the Hitchin' Post," and "Monie Changes Everything." Each story contains a great dosage of Sedaris's sharp humor and quirky language, which is what makes this collection such an enjoyable read. Again, Dress Your Family in Corduroy and Denim isn't quite as hilarious as Holiday on Ice, but it is an amazing read in its own

right and I cannot recommend this collection enough.

- An incredibly interesting expose' on what the Roman Catholic church teaches and believes. Dr. Boettner quotes priests, ex-priests, bishops, cardinals, popes, nuns and ex-nuns in this lengthy, but captivating piece of research. One of the most valuable insights that he brings to the table is the fact the the

Catholic church in the United States is very different than the Catholic church in most other countries - mostly because the U.S. is dominated by Protestants. He delves into non-Biblical traditions of Romanism and the oppressiveness that the political hierarchy brings to countries that are dominated by Catholicism. Every Christian should read this book. It gets five stars from me.
