## **REVIEW OF SECURITY GUARD TRAINING MANUAL**

- Gone with the wind is an all time classic. This book is about a girl named Scarlett O'Hara who has a wonderful life until war breaks out and her world is turned upside down. She has to learn the basics to surviving but it comes with difficulty. Along the way she loses two husbands but has one final one which lasts. His name is Rhett Buttler. He helps her become a rich woman again. But is she truly happy? You will have to read to find out. Through all of this there is a moral which is, don't take what you have for granted and appreciate what you

have because one day you may not have it.

- I love the movie, but the book is so much better. Beautiful edition, even the print is stylish. Reading it

was pure pleasure - it took me over a year, as I was sparing the book. My wholehearted recommendation to anyone who loved the movie.
