REVIEW OF STATIC MEDIA CONVOCATORIA PAENMS 2018 0

- A house painter who loves the Arctic is in for the surprise of his life. He receives a penguin from the famous Admiral Drake and his life changes forever. The penguin gets lonely and sick so Mr. Popper must get him another to help his buddy. The the fun starts when the other penguin has the

little penguins. This book touched my every emotion. It would make you laugh on one page then scare you on the next. It would keep you on the edge of your seat in supense and ease you with laughter. I was intrigued by the way that one event led into the next. If comedy is what you like along with the drama then Mr. Popper's Penguins would make a great choice for your next book.

- The plays are mostly in verse, but the pages are laid out like prose. Most disappointing, making this e-book useful only for searching.
