REVIEW OF FUNDAMENTALS OF MUSIC 6TH EDITION STUDY

- Thomas Paine is my hero and I can never express how much I admire his intelligence and courage. It could not have been easy for him given the fact

that even today, people are still rediculously closed minded.I dare anyone to say that this book does not make sense. There isn't a word in this book that doesn't point to the obvious ludicrousness of the Bible and the horror that has taken place because of it.

- Since buying this book, i have recommended it to virtually everyone I know.It is outstanding and should be read by anyone and everyone who has any interest in the Middle East.
