REVIEW OF SOFTWARE REQUIREMENTS 3 EBOOK KARL E WIEGERS

- This book is an incredible page-turner that makes one appreciate the darker aspects of life. The seemingly utopian world that Jonas inhabits is in fact a cover for a multitude of shocking secrets that lie below the surface, such as "releasing" any child that is not perfect. The book's ending makes the reader think and offers many possibilities for the future. I recommend the book to readers of all ages.

- This is a very good book. I really like it and I hope to share this book to my friends. Have a nice day.
