REVIEW OF 1001 SOLVED SURVEYING FUNDAMENTALS PROBLEMS 2ND ED

- Complexity, relationships, good characters: these were things all the things Robert Jordan's first books shared. Unfortunately, it now all seems to be unraveling. While the book began well, it quickly rolled down hill. Rand is becoming one of the most annoying, obnoxious, and arrogant creeps that ever walked the face of this (or that) planet. Worse than that, he's allowing his arrogance to make him stupid. I'm mean, who really thinks Sammael's dead? I'm writing all this because Rand was my favorite character, and that is why it bothers me so much. Rand was a great person: he cared about people, and he did what he had to do. Now he's really losing it to his mood swings. As for his relationship with Min... It's better left unsaid. I love to see how an intelligent woman becomes a whiney little - slut? It's rather interesting. Now all we have to do is wait till Elayne shows up. Guess what will happen next. If RJ ruins that relationship, too, it only proves my theory that men have no sense of what goes on in women's minds. Also, many plot twists were raised in the fifth and sixth book that were never resolved. I hoped to finally find out what is going on with Lord Luc and Slayer, and what about Mazrim Tiam? Is he trustworthy or not? Is he Demanded? I hate reading 700 pages only to find that NONE of this stuff has been resolved. I'm waiting for the 8th book now, but my faith has been sorely tried. Come on, Jordan! Shape up

- Most fiction books that involve magic today are about a hero, a magic user who casts fire magic for free, and a sorceress or sorcerer who is trying to take over the world. The magic user, sometimes the hero, doesn't ever get harmed. But this book is a trip to a new dimension for magic, taking it to a whole new level. In "A Crown of Swords," magic isn't just a bunch of flashy potions or powers, but is something that needs to be trained, that can kill, can even turn against the magic user him/herself! If you're bored with Star Wars and Star Trek, read "A Crown of Swords." It will open the portal to another dimension for you.
