A Resource for Your Skin Care Career : [textbook]. Milady Publishing Company

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Spanish Translated Milady Standard Cosmetology Cengage Learning

Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This

indicates an ideal moment to check on a client's comfort level. - Publisher.

REVIEW OF SALON FUNDAMENTALS COSMETOLOGY STUDENT STUDY GUIDE

- It's a book I've long wanted to read and I have. Do I understand it all - no. Do I recommend others to read it - yes. I'll make a assumption that Mr J Joyce was an intelligent person and I thank him for a interesting read. It must have created some eye raising comments in its day.

- Having read Markides' account of his contact with the monks of Mount Athos, and being quite familiar with the literature on the subject of Eastern Christian mysticism/theology, I have to say that this book was a real means of grace for me. To further make my point, one needs only to read who recommends the book on the back cover- Bishop Kallistos Ware, the preeminent spokesman for Eastern Orthodoxy in the West and the retired professor of Eastern Orthodox studies at Oxford University! I can positively remark that this book accurately depicts the practical outcome of anyone who follows the guidance of the Christian East. Holiness and wisdom are not reserved only for the monks, but for all those who seek Christ with a pure heart. The wisdom of Father Maximos, a main

figure in the book, is simply a distillation of the wisdom of 2000 years of prayer and worship as found in the East. If it happens to reflect in some ways current New Age mentalities, it is not, believe me, a sign that the Eastern Church has somehow taken their advice! I have the suspicion that those who understand Christianity through Western Protestant eyes would find this work a bit odd to say the least. Monks who are clairvoyant, can change someone else's perception of time, etc are not common in Protestant Christianity. But then again, they have not had the benefit of a 2000-year-old tradition of spirituality and prayer. This is not to put the Protestants down, it is only the observation

that there is no need to reinvent the wheel when the East already has a very succinct and proven method of spiritual development that goes much beyond the non-accountable, individualistic spirit of much of the Christian West. IF you have an interest in the underpinnings of the Eastern approach to Jesus Christ and the Trinity and the Church etc, then you would do well to read "The Orthodox Way" by Kallistos Ware, or, if you want to dig into some deeper theology, "The Mystical Theology of the Eastern Church" by Vladimir Lossky is a classic, as is the difficult but rewarding masterpiece "Being As Communion" by Zizioulas. ENJOY!
