REVIEW OF RAISING GIRLS WHY ARE DIFFERENT AND HOW TO HELP THEM GROW UP HAPPY STRONG GISELA PREUSCHOFF

- Cyrus the Great is Harold Lamb's narrative of the life of the King of Persia who conquered the Medes, Lydians and Babylonians and marched into those mysterious lands to the east forging the largest empire of the time. Some of the book is, of course, informed speculation about everything from Cyrus's childhood to his motivations as an adult. The book was originally written in 1960 and I have a 1976 printing from Pinnacle Books. Lamb wrote an entire series of history and historical fiction books, writing mostly between World War I and II, on historical figures from Genghis Khan to Alexander the Great. At the time I bought this one, I missed the opportunity to buy about a dozen others of his works at a used bookstore and have been kicking myself ever since. I check the shelves every time I'm there and keep an eye out on Amazon but these books are really hard to come by especially in good condition with paperbacks this old.

- The Galactic Empire series was written after the Foundation series as a prequel. This particular novel is typical Asimov and does not really stand out more than any others in either series
