## **REVIEW OF BLACK HISTORY QUESTIONS ANSWERS**

- 1984 is one of those novels I have intended to read for years, and had never gotten around to. However, I finally managed to get to it, for better or for worse. Orwell's dystopian novel has left me feeling rather prosaic, and I'm not quite sure how to express my feelings regarding the text. In the simplest terms, I didn't like the novel; but I don't think I was supposed to. And I certainly don't regret taking the time to read it.

- I read the book 1984

by George Orwell for my book report in school. This is a book targeted for an older audience than an eighth grader. Its main theme, I believe, is that we cannot let our government have too much power. The government is controlling the peoples' lives with a fist as tight as possible. If we allowed them to do

this, we will fall into despair. All in all, I didn't care for this book all too much. It was all kind of above my head. It used "Newspeak," past experiences, and things that just didn't make any sense to to me. I understand that most people really enjoyed this book. Maybe when I get older I will uderstand it more.
