REVIEW OF SIREN BELOVED TEXAS SIRENS 4 SIREN PUBLISHING MENAGE EVERLASTING

- My Kindergartners loved this book because Jillian, the title character, gets a great idea to create pigs but realizes that her hard work is hard to sell. Everyone wants to buy her beautifully made pigs, however Jillian becomes sad at the idea of selling

them. To solve her problem, she teaches others how to make their own "wonderful" pigs! We could not resist the temptation to create and decorate our own pigs in our class!

- this book was in my moms Collection when we were growing up. Many afternoons were spent pouring over the pictures. To see this book re-released in its original format is awesome. I bought two this year for Christmas & both recipients Loved them!
