REVIEW OF MANUALE OFFICINA IVECO DAILY 35

- The book is great, don't get me wrong. The problem is that the centennial edition published by penguin has typos. Lots and lots of typos. An embarrassing amount of typos. Great literature deserves better proofreading.

- This is an excellent book but i would not recommend it to the faint of heart. It deals with many issues of human nature such as the struggle with sexuality, good versus evil, and stories from the Bible. I found it fascinating how well it coincided with how humans work. To those of you afraid that it might be a dark, depressing book: it really isn't that bad! Steinbeck's descriptions of the Salinas Valley are lovely and the characters in the novel experience happiness. But that is all intertwined with many other events and happenings . . .I won't tell what. I hope that those of you who purchase East of Eden enjoy it!
