### **REVIEW OF MATH STUDY GUIDES FOR 6TH GRADE**

- Young Mr. Gruffudd makes a marvelous performance and his well trained acting abilities pour through with astounding affect!

He slides easily in and out of characters and accents. There's never a break to make one lose the feel and atmosphere of the story. And, he delivers the story surely as real as C.S. Forester could have dreamed it! One

need only to close ones eyes and be taken back into the days of Horatio Hornblower!

- I gave copies to Scout volunteers in my troop. Nice little reference for those who care about getting knots tied correctly.
