Big Book of Christmas Songs (Songbook)
Alfred Publishing Company, Incorporated

The Family Songbook is the perfect choice for a sing-along. The songs are well-known, the arrangements are easily playable and the keys are singable. The list of composers and artists reads like a Hall of Fame List: George

and Ira Gershwin, Mariah Carey, Michael Jackson, Woody Guthrie, Cole Porter, Luther Vandross and Kelly Clarkson, to name a few. Dan Coates' arrangements sound full and rich, while still remaining accessible.

So, what are you waiting on? Beginning

your analysis adventure today with digital Giant Book Christmas Sheet Music book downloads. With so many titles and styles to pick from, the possibilities are countless. Delighted reading!

REVIEW OF GIANT BOOK CHRISTMAS SHEET MUSIC

- Sandra Benitez's beautiful book, *Bitter Grounds*, is set in the El Salvador of the 1930's through the 1970's, and it portrays the lives of three generations of the privileged Tobar and Contreras families, coffee and cotton barons, and the Prieto family who serves them. Throughout the novel, the relationships of the three families

intertwine as their destinies are worked out and revealed. In the eighty years that the novel encompasses, we witness the growth of unrest and eventual revolution of the campesinos against the huge land owners who enslave them with low wages and poor living conditions. We come to know with affection and sympathy members of both levels of society as their lives are joined in daily work as well as in shared confidences and joys. Two girls, Maria Mercedes and Flor, are raised together as sisters in the lovely home of the Contreras family when both Magda, the lady of the house, and Jacinta, head housekeeper, become pregnant at the same time.

However, their differences in station prevent their continued closeness as one steps into the life of privilege and the other is left to follow what destiny she can make for herself. This is a book for rereading and certainly one that provides insight into the complex world of Latin America where class distinctions still remain in many areas. Thematically, the bond between women, and between mothers and daughters, is one that is universal and cross cultural. The joys and sorrows that women understand collectively and instinctively surmount any class or color barriers, and as we read *Bitter Grounds*, we are able to share the universal bond once again.

- This book was

absolutely fabulous! The book is definitely a page turner up to the very last page. Naomi weaves the lives of a dozen characters seamlessly. It was very modern and informative. There is a peak at the great exciting and the not so glamorous sides to fashion. The book explains cultural, racially, and international differences thoughts and traditions that just made me think about the role I play as a public viewer and a consumer. Even though it was a fictionalized story there were so many real to life examples of things that happen. It really made me think. I loved the characters, the designs, the designers, the talk of the clothes, romance, sexy

scenes (without being trashy), and the kindred networking and friendship between the women characters in the book. I also enjoyed the suspense. Naomi even gives humanity to the most unsavory characters. I hope that Naomi Campbell sends another novel our way. This book is a great read.
