REVIEW OF CHAPTER 4 TISSUE TEST

- My boys (now 3 & 4) love this book so much, I am buying a 2nd copy b/c the 1st is so worn out! This book is fun, imaginative, & very catchy. My husband & I know it by heart we've read it so

much. It's one of those you never get tired of. Don't be leery of the "monsters"- these are friendly little creatures in this book! My favorite line in the book is "...drooling at commercials for sauerkraut & beans..". LOL, ick, but what a hoot! Get this for your child.

- The content is excellent; a valuable book devoted to a

neglected subject. Unfortunately, the print quality was terrible. Even though I returned the first book that I received, the replacement was the same, numerous pages where the outer inch of printing was blurred, and for all practical purposes, unreadable. Very disappointing for a product from Amazon! Even though I advised Amazon of the nature of the problem on the first book, they didn't bother to check the replacement book.
