#### REVIEW OF RENAULT CLIO II REVUES TECHNIQUES RTA RTA ENTRETIEN ET

- I read this book in high school, and Mailer nails it! I've always wanted to read it again and now I'll get my chance thanks to Amazon. I was enraptured with Marilyn after reading this book 20 years ago.
- This is a classic textbook on the theory of equations, a good follow-up to Higher Algebra, by Knight. The treatment of the subject matter is thorough and the various methods of resolution of equations and the extraction of roots is excellent. Highly recommended!
