Don't neglect to get in touch with us and fellow publication fans in our lively neighborhood. Share your favorite reads, take part in thoughtful discussions, and uncover brand-new literary treasures. And if you ever need assistance discovering the best publication, our educated staff is below to supply individualized recommendations.

REVIEW OF CHAPTER 13 THE PHRASE AND THE CLAUSE ADJECTIVE CLAUSES

• Politics, religion, power, ecology, and philosophy... this is some heady stuff. I expected a cool sci-fi novel and ended up with an epic. Truly an astounding book in its scope and power.

• Herbert is like a prophet, he seems to have the same vision of the future that I do, the battles will keep you reading hours into the night, and the storyline seems to keep on rolling, and rolling, and rolling, never a stop in the excitement. The story begins on Caladan- the homeworld of House Atreides, The house is being "relocated" so to speak, to the desert planet Arrakis, otherwise known as Dune. The previous rulers there were the Atreides sworn enemy- The Harkonnens, when the atreides move in to take over, everything goes okay, for a while, then the Harkonnen treachery kicks in, and the Atreides duke is killed, the title falls on his son- Paul, yet he was thrown into the desert to die. The natives, known as the fremen, capture him then realize that he is the Lisan al Gaib, the voice from the outer world, a figure that their religion is based upon, Paul trains the Fremen in the way of battle that he had been taught his whole life. They become his army, and together, they take Dune back from the Harkonnens. If I could give this book more than 5 stars, I would, READ IT!!!!
