REVIEW OF MESC CODE

- This book is absolutely the very best explanation of the meaning and understanding of the Beatitudes given in the Sermon on the Mount by Jesus Christ I have ever read. Once read, you have a clear understanding of the blue print given to mankind by Jesus on how God wishes us to live our lives. Where The Ten Commaandments were just that, commandments, most on what we must not do, the Beatiudes, on the other hand, provide what we should do. I am convinced that the author was guided by the Holy Spirit in writing this book!
- I truly enjoyed all of the WOT novels and this one thankfully moved forward at a somewhat faster barely not glacial pace as the last few have.the seller I received the product from was a bit slow in delivery and could have been at communication. Product was delivered as promised and was in great condition....so that's a bonus.
