REVIEW OF BERK DEMARZO CORPORATE FINANCE 3RD EDITION

- A great book for reading for pure pleasure! He starts off with his experiences with medical school and things progress from there; from BonAire scuba diving to the supernatural. I highly recommend this...

- I have read this book three times and find that each time something different applies to where I am right now. Michael Crichton is astonishingly open, honest and self-deprecating in relating his travels all over the world and within himself. By reading this book I have become more open to trying new adventures. Crichton comes across as though he is sitting right with you telling you these stories. Highly recommended.
