REVIEW OF CBSE CLASS 11 FUNCTIONAL ENGLISH SOLUTIONS

- What a great book and what a great series of books that covers the history of Ireland throughout the 20th

century. Fictional characters interact with historical figures to tell the story of the Halloran and Mooney families.

- Had he been born in the 18th or 19th century, Wilfred Thesiger would have explored the Nile or mapped uncharted territory in North America. His mid-twentieth century journeys in the Empty Quarter of the Arabian Peninsula, related in this book, confirm him as an acute observer of humanity and an untrained but brilliant amateur anthropologist. This book is unparalleled.
