• LUV IT!!!!!!!!!!!!!!:DDDDDDDD Its Awsome to me so I don't care about it opinion because I LUV it u haters!!!!May StarClan light your path,Blazeheart, the newest warrior in FireClan

• This book was recommended to me by an Amazon.com email. I took a chance, and I'm very glad I did. EXCELLENT READ! I had fun with this book, enjoyed the cast of characters, enjoyed the story. I like the writer's style - the author kept a lot of characters going in this book and didn't lose my interest. I liked the main character Ester. She got involved, and she helped solve the mystery and fight the good fight. The names of the characters might throw you - the names are "theatrical" (like Golly Gee, Darling Delilah), but since the characters are mostly actors or performers, this can be forgiven. I can usually figure out "who done it" in mystery books. However, I thought the author did an excellent job with the mystery elements in this book. Overall, a fun and entertaining read. I look forward to the next book in this new series.
