REVIEW OF GRIFFITHS INTRODUCTION TO QUANTUM MECHANICS 2ND EDITION

- Tom Kelly's the best all around. Even if you

don't particularly enjoy turkey hunting or the outdoors, you will appreciate his work. "The Boat", as with all else he has written, is the kind of stuff that makes you want to take a trip to Spanish Fort, AL just to shake his hand.

- I ordered this for a friend and she loved it. It arrived on time and in great shape. She found it to contain exactly what she wanted and is using it as a daily guide. In the future she wants more books by this author.
