REVIEW OF HANDMAIDS TALE MARGARET ATWOOD

- Luanne Oakes is an amazing writer with original ideas. As you apply these techniques you will notice a subtle shift. I personally feel more balanced, things that used to fluster me just don't anymore. I highly suggest purchasing Luanne's Sound Health Sound Wealth CD program. It's a great addition to this wonderful book!

- The clear writing with precise illustrated figures makes this a useful text and tool for patient care. That being said my only personal question is of figure 9.10b which shows considerable rotation for a C2 fracture the neck chapter does not comment on this. It may be a seated derivative of the Neck lateral flexion with extension bias technique illustrated but I wouldn't assume anything with a cervical fracture.
