REVIEW OF HUMAN ANATOMY AND PHYSIOLOGY MARIEB 7TH EDITION TEST BANK

- I began reading this book at the beginning of a long plane ride from Texas to Wisconsin. By the time I was at the O'Hare Airport (in Chicago, about halfway to my destination) I was completely saturated in it. I became extremely paranoid, not wanting to draw attention to myself or even to speak. I felt like I was in the story, and it was a strange and wonderful feeling. This book draws you in and leaves you fairly breathless. It is extremely enjoyable, powerful, and thought provoking.
- Could not get into this book and after the first chapter - I put it down. Rarely, do I not finish a book that I have started
