## REVIEW OF SALIK GOV AE

- The author tried some experiments within a process caled image-streaming. A dubious measure of IQ both before and after indicated that an increase of 1 IQ point per hour was yours for the taking if you applied the technique. I guess the authors are pretty confident that most of

the potential audience are pretty thick since average to 'gifted' is just 30 hours away and genius levels of IQ are just 50 hours of this technique away. Sounds about right, yes? Frankly there's nothing wrong with image-streaming - it's an interesting technique and you're likely to enjoy a number of the exercises in the book. BUT - they aren't going to make you as smart as Einstein nor are the purported levels of IQ gain likely to occur. If it really happened as suggested don't you think you would have heard about it somewhere other than on the back cover of this book? Please Mr Wenger, prove me wrong and reproduce the results in controlled tests. With calibrated tests? No? Says a lot really.

- Have been an avid reader of Tom Clancy books for years. In fact this is my second reading of this novel. And it was as enjoyable as the first time His first novels were his best, and this is one of them. If you like a fast moving store line, this will fulfill that.
