REVIEW OF BOYCE AND DIPRIMA 9TH EDITION SOLUTIONS

- The word Interesting covers a lot of ground. It can mean Unique or Fascinating, and it is a polite way to say you think something is ugly or stupid. I'm not sure completely which definition of Interesting I would use in relation to this book, because it was really weird, and yet it was a good story as well. I think it's one I would need to read several times to really figure out. For someone who is new to Daphne du Maurier, I recommend Rebecca, The House on the Strand, and The King's General. Save this one for when you know you like her strangeness enough to appreciate it regardless of how it is presented.

- Has anyone noticed that the world is full of stupid people?
