REVIEW OF HOLDEM POKER FOR ADVANCED PLAYERS ADVANCE PLAYER BY SKLANSKY DAVID MALMUTH MASON 3RD THIRD EDITION 1011999

- This is a truly wonderful book. The second book of the Redwall series. This book is really wonderful. There are nine books in order: Martin the Warrior, Mossflower, Redwall, Mattimeo, Mariel of Redwall, Salamandastron, Outcast of Redwall, Bellmaker, The Pearls of Lutra
- Ladies With Options is a winner. The Mostly Methodist Club, in Larksdale, Minnesota, 1983, is a delightful group of endearing and unique characters. If any of you enjoyed financial success during the dot.com era (I did, albeit briefly) you'll enjoy (and know) this may be written as fiction, but it did happen to many. This feel good story about a group of women who choose to take charge of their own lives and those around them, had me hooked from the first page. Funny, smart, and witty, Ladies With Options (all but two of them of them approaching retirement age) shakes the theory that only men in suits were making it big with IBM and Microsoft. These women become smart,

business savvy risk-takers, saving the town's economy by dealing with the Wall Street big shots. Our lady's marriages, friendships, and careers have to be adjusted (sometimes with a rude awakening) but you'll remember this era and can't help but ponder our ever-changing world and wonder what's next? Looking forward to the next installment.
