Generally, our analysis of Ensest Oku has given us with an

abundant understanding of the story and its literary capacity. We highly suggest this book to readers who are seeking a thought-provoking and mentally impactful read.

REVIEW OF ENSEST OKU

- Wow. I wanted to buy a noteworthy book that was definitive re: old USSR. I looked to award winning books on the subject and then, as always, checked with Amazonian's ratings. Before I started the book I assumed I would read some, scan some and re-educate myself on the subject. It was GREAT READING. A book that describes

despair, fear and degradation of an entire nation of people. One asks oneself, again and again throughout history, what conditions of the mind must exist that have throughout time enabled those in power to justify the destruction of the human spirit. Of course that begs the question as to how those STAY in power for decades on end. Author Remnick writes wonderfully and easily of tough experiences and yet they are not so horrific when laid on the page by this author, rather this book does read like a novel and thus it is easlily digested and hard to stop reading. Fascinating stuff which includes how the book itself was researched and written. Read this

book, you won't be sorry. I would love to find another non-fictional account on any subject matter that rivals this. I'd love to know if there are any good suggestions.

- This is a great history book on the great Mongol Empire. It clears up a lot misunderstandings and superstitions about the supposedly horrible Mongol barbarians and gives a reliable

account of their rule in this time period. It covers Temujin's (aka Genghis Khan) beginnings to the end of his forebears rule. It has pictures from the past and of re-enactments of Mongol cavalry - you will rarely find this elsewhere. The Mongol Empire was a militaristic nation, so this book lacks on the military strategy and warfare of the Mongols. Only the basics are covered.
