REVIEW OF KENMORE PORTABLE DISHWASHER MANUAL

- was not what I expected but was very enjoyable. I especially like his books as am a horse lover myself.
- This book will appeal to people who love animals and children. It has a genuinely sincere voice that engages the reader despite the ghostwriter's slightly offputting imprint. I was charmed, moved, and inspired by Monty Roberts' common sense advice. If this book lacks literary eloquence, it is more than made up for in the meaning of the stories it tells."Gentle Wisdom" may be redundant, but this book is not.If you have children, or animals, or you know someone who does, this book deserves to be placed in your library right next to Dr. Spock.
