In the temple of Abydos, an acacia tree is dying. Its death threatens all of Egypt. For this tree sprang forth from the tomb of the god Osiris, the first ruler of Egypt, as proof of his triumph over death. The great pharaoh Seneferu III immediately joins battle against the invisible enemy who would lead Egypt to her doom. But within his closest circle hides a traitor, a man who would sell himself to the

powers of darkness in order to achieve his dreams of glory. A young apprentice scribe, Iker, becomes an unwilling player in this mystery. Kidnapped by sailors who refer darkly to a 'state secret', Iker does not know who is trying to kill him, nor indeed who is trying to protect him. He senses only that someone is manipulating him, that he has set out on a road whose end he does not know. Will the two of them, Iker and Seneferu, the weak young boy and the great man of power, succeed in preventing Osiris from dying for the last time, thereby saving Egypt?

#### Ramses Crown

Saga about ancient Egypt & the powerful struggle between Ramses & his enemies.

**The Temple of a Million Years** Simon

TOP 5 ART OF WAR QUOTES 1. "Know your enemy and know yourself, win without danger." 2. "Knowing when to do battle and when not to do battle brings victory." 3. "Those skilled at making war subdue another's army without battle, overcome another's walled cities without attack, overthrow another's kingdom without delay." 4. "Those who forego contemplation, merely expecting an enemy to be easy, will be captured by him." 5. "When doing battle, prizing victories that take too long dulls weapons and grinds down spirits." From business to politics to sports, the Art of War is as timely for leaders today as it was for military strategists in ancient China: strategy, negotiation, management, analysis, psychology,

logistics, risk, conflict -- everyone from Secretary of State Colin Powell to influential tech CEO Larry Ellison to NBA super-coach Phil Jackson has profited from the timeless wisdom of Sun Tzu's classic. This special pocket edition of Sun Tzu's Original Art of War uses the most recent archaeological and academic research to recover the original Chinese text and faithfully recreate it in English, avoiding the unnecessary wordiness and inaccurate abstractions of other English translations. "The Art of War is among the greatest classics of military literature ever written. Sun Tzu warfare is as applicable today as when the book was written some 2,500 years ago.... Pick up The Art of War and read it." General A.M. Gray, Marine Corps Gazette "When the Japanese, especially those in business,

want information on the subject, many turn to an ancient Chinese, not Japanese, military manual, *The Art of War*.... Shows managers how to be fearless in resolving conflicts." Boardroom Reports "Unlike most of the more wordy and interpretive translations of the Sun Tzu, Andrew Zieger gives us a unique bare bones rendering of this canonical text a series of word pictures that, in applying his own image-to-image technique, captures the poetically laconic force of the original. In this rendering, the Sun Tzu has not needed to surrender the beauty of its language for the victorious expression of its meaning." Roger T. Ames, Leading scholar in ancient Chinese literature and translator of "Sun Tzu: The Art of Warfare" (1993) "A highly accessible rendering of the influential work of

military theory. Successfully evokes the careful, meditative response Sun- Tzu recommends to would be war-makers. Of use to anyone engaged in competitive endeavors, be they on the battlefield or at the poker table." Martin Harris, Poker journalist and author of the novel *Same Difference* (2010)

Despite the pharaoh Sesostris III's determination, despite the combined efforts of his generals who are searching, in vain, for the culprit, despite daily prayers and the devoted care of the queen and the seven priestesses of the goddess Hathor, the beautiful acacia tree of Abydos is dying. But the most mysterious of the priestesses, the one who haunts the nights of young Iker the

scribe, has an idea: to save the 'Tree of Life', a new pyramid must be built at Dachur, dedicated to Osiris. Sesostris agrees, and work is set to begin. But what Sesostris doesn't know is that a triple conspiracy has been hatched against him. On the one hand, the Herald, the bearded devil who preaches to the desert tribes, has decided to seize power by having the pharaoh murdered.
