REVIEW OF HOUSEBUILDING A DO IT YOURSELF GUIDE

- Kindle edition is poorly proof-read. A lot of mistakes. The book is a great addition for personal devotions. Well worth the money.
- Such a unique premise... with wonderfully written characters. I enjoyed this book immensely. It took a little longer than most of Picoult's books to really get into... but it was enjoyable till the end. If you haven't had the chance to read Jodi Picoult yet, do it! She is truly an amazing writer...
