Remember, checking out evaluations can assist you make informed decisions regarding what to check out next and can reveal you to new authors and categories you might not have taken into consideration before.

REVIEW OF CAN LOVE HAPPEN TWICE BY RAVINDER SINGH FULL BOOK

- I guess I am not a fan of Forster. I didn't too much care for "Where Angels Fear to Tread" and this second try was no better.

He shoots for social commentary and hits it, obliquely, but his characters are flat and so not elicit sympathy. Worse, his Italy, so much a part of the book, is generic and without character. It is not the sympathetic and even sappy story, or the stilted behavior of the English gentry I dislike. I am a fan of Austen and the Bronte's. I think that it is Forster's treatment of the material and characters.

- The first chapter of this book is by far the best essay I've read concerning love in the twenty first century. Klosterman put down in words what I had been trying to put a finger on for years: while we all love Lloyd Dobler, he, along with asanine coldplay, are doing everything they can to make it so that true love is forever beyond the ordinary man's reach. The rest of the book flows well, but is not quite so my generation as five years before mine.
