REVIEW OF THE MEMBERSHIP ECONOMY FIND YOUR SUPER USERS MASTER THE FOREVER TRANSACTION AND BUILD RECURRING REVENUE

- Adult black & white collection of drawings. This is the fourth collection of drawings involving

housewives. There are exactly 33 well-drawn detailed drawings of women inside the book. The pictures range from somewhat tame to somewhat extreme (involving bondage in one form or another, humiliation, getting caught in action, whipping). The women are mothers and daughters, neighbors, students, teachers, lactating women, pregnant women, and friends. There are two visible men in the pictures. One doesn't count because he is on the front cover (and I haven't been counting the book cover pictures) and the other is just barely in the picture and could conceivably be a woman. The action occurs in-doors (like the picture where the mostly nude woman catches, I assume, her daughter stealing some cookies) and outside (numerous, like the daughter that drives her nude mother around, or the girl who receives a ride from another girl ("thanks for the ride, queer")). Overall, the collection is interesting, and well-drawn. The collection contains pictures of incest, bondage, whipping, exhibitism, and humiliation. Note: some of the collections contain a page that collects the title of the pictures, and this is one of those collections. The page is at the very back of the book and is called the "Table of Contents."

- Having worked and read many 12-Step books, Keith Miller offers an easy to read and much needed Christian perspective to many in the church today. I intend to recommend it to all my family and friends who want to grow in their faith journey. Carolyn P
